Greenfield:

Greenfield students are working hard in our garden! We have LOTS of veggies. On Wednesday, August 8th, Greenfield students, staff and parents celebrated the end of the summer with a “Summer Bash” at Baw Beese Recreational Park. Students enjoyed lunch in the pavillion, games, and a leisurely group walk. Parents, students and staff had a great time! A special thanks to Davis Middle School Food Service for making the students a delicious sack lunch, HCISD Transportation, and Greenfield teachers and support staff!
