Superintendent Gonzalez,

My name is Nicolas Camano, Jr., and I am a Highway Patrol Sergeant with the Texas Department of Public Safety. I am writing you this letter in hopes of being included in your next Trustee meeting that is to take place on November 17, 2021. I want to discuss a border fence on property that belongs to U.I.S.D. along the Rio Grande river and at no cost to the school district. Along with Captain Victor Sotelo (Texas DPS) and the Army Corp of Engineers, I would like to bring forward our proposal.

Giving us a chance to speak with you and the other board members will allow us to discuss the plans for an optional border fence. There is no commitment to this state-funded project. This will also allow us to answer any questions and/or concerns that you all might have. My contact information is below, and I look forward to hearing back from you. Thank you for your time and consideration.

Respectfully,
