of said meeting, including this Order, was given, all as required by the applicable provisions of Tex. Gov't Code Ann. ch. 551;

NOW, THEREFORE BE IT ORDERED BY THE BOARD OF TRUSTEES OF WYLIE INDEPENDENT SCHOOL DISTRICT:

Section 1. RECITALS, AMOUNT, PURPOSE AND DESIGNATION OF THE BONDS.

(a) The recitals set forth in the preamble hereof are incorporated herein and shall have the same force and effect as if set forth in this Section.

(b) The bonds of Wylie Independent School District (the "Issuer") are hereby authorized to be issued and delivered in the maximum aggregate principal amount hereinafter set forth for the public purpose of providing funds to refund a portion of the Issuer's outstanding indebtedness payable from ad valorem taxes, and to pay the costs incurred in connection with the issuance of the Bonds.

(c) Each bond issued pursuant to this Order shall be designated: "WYLIE INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX REFUNDING BOND, SERIES 2009," and initially there shall be issued, sold, and delivered hereunder fully registered Bonds, without interest coupons, payable to the respective registered owners thereof (with the initial bonds being made payable to the initial purchaser as described in Section 12 hereof), or to the registered assignee or assignees of said bonds or any portion or portions thereof (in each case, the "Registered Owner"). The Bonds shall be in the respective denominations and principal amounts, shall be numbered, shall mature and be payable on the date or dates in each of the years and in the principal amounts or amounts due at maturity, as applicable, and shall bear interest to their respective dates of maturity or redemption, if applicable, prior to maturity at the rates per annum, as set forth in the Pricing Certificate.

Section 2. DEFINITIONS. Unless otherwise expressly provided or unless the context clearly requires otherwise in this Order, the following terms shall have the meanings specified below:

"Bonds" means and includes collectively the Capital Appreciation Bonds and Current Interest Bonds initially issued and delivered pursuant to this Order and all substitute Capital Appreciation Bonds and Current Interest Bonds exchanged therefor, as well as all other substitute bonds and replacement bonds issued pursuant hereto, and the term "Bond" shall mean any of the Bonds.

"Capital Appreciation Bonds" shall mean the Bonds, on which no interest is paid prior to maturity, maturing in the years and in the principal amounts set forth in the Pricing Certificate.

"Compounded Amount" shall mean, with respect to a Capital Appreciation Bond, as of any particular date of calculation, the original principal amount thereof, plus initial premium, if any, and plus all interest accrued and compounded to the particular date of calculation, as determined in accordance with Section 3(c) hereof.

"Current Interest Bonds" shall mean the Bonds, on which interest is paid semiannually, maturing in each of the years and in the principal amounts set forth in the Pricing Certificate.

"Issuance Date" shall mean the date of delivery of the Bonds to the initial purchaser or purchasers thereof against payment therefor.

Section 3. DELEGATION TO PRICING OFFICER. (a) As authorized by Section 1207.007, Texas Government Code, as amended, the Superintendent of the Issuer, or in the event that he is unavailable at the time the Bonds are offered in the market, the Business Manager of the Issuer (collectively, the "Pricing Officer"), is hereby authorized to act on behalf of the Issuer in selling and delivering the Bonds, determining which of the Eligible Refunded Obligations shall be refunded and carrying out the other procedures specified in this Order, including, determining the date of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the years in which the Bonds will mature, the principal amount to mature (with respect to the Current Interest Bonds) or the amount due at maturity (with respect to the Capital Appreciation Bonds) in each of such years, the rate of interest to be borne by each such maturity, the interest payment and record dates, the price and terms, if any, upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the Issuer, as well as any mandatory sinking fund redemption provisions, and all other matters relating to the issuance, sale, and delivery of the Bonds and the refunding of the Refunded Obligations, including without limitation establishing the redemption date for and effecting the redemption of the Refunded Obligations and obtaining the Permanent School Fund guarantee for the Bonds, if available, or bond insurance if the Permanent School Fund is not available and bond insurance is deemed beneficial to the Issuer to achieve the objectives of the refunding, all of which shall be specified in the a certificate of the Pricing Officer (the "Pricing Certificate"); provided that:

(i) the aggregate original principal amount of the Bonds shall not exceed \$4,225,000;

(ii) the price to be paid for the Bonds shall not be less than 95% of the aggregate original principal amount thereof plus accrued interest thereon from its date to its delivery;

(iii) no Current Interest Bond shall bear interest at a rate greater than 7.00% per annum and the net effective interest rate (as defined in Chapter 1204, Texas Government Code, as amended) for the Bonds shall not exceed 6.75%; and

(iv) the refunding must produce debt service savings of at least 3% measured on a present value basis as a percentage of the principal amount of the Refunded Obligations, and with such savings to be net of any Issuer contribution to the refunding.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in Subsection (a) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing

Officer on or prior to September 2, 2009. The Bonds shall be sold at such price, with and subject to such terms as set forth in the Pricing Certificate.

(c) The Bonds may be issued as Current Interest Bonds or Capital Appreciation Bonds, or a combination thereof, as set forth in the Pricing Certificate.

(d) In the event any of the Bonds are issued as Capital Appreciation Bonds, the Pricing Certificate shall have attached thereto a schedule which sets forth the rounded original principal amounts at the Issuance Date for the Capital Appreciation Bonds and the Compounded Amounts thereof (per \$5,000 payment at maturity), including the initial premium, if any, as of each date and commencing on the date set forth in such schedule.

(e) It is hereby found and determined that the refunding of the Refunded Obligations is advisable and necessary in order to restructure the debt service requirements of the Issuer, and that the debt service requirements on the Bonds will be less than those on the Refunded Obligations, resulting in a reduction in the amount of principal and interest which otherwise would be payable. The Refunded Obligations are subject to redemption, at the option of the Issuer, and the Pricing Officer is hereby authorized to cause all of the Refunded Obligations to be called for redemption on the respective date or dates consistent with the savings analysis set forth in Section 3(a)(iv) hereof, and the proper notices of such redemption to be given, and in each case at a redemption price of par, plus accrued interest to the date fixed for redemption. In furtherance of authority granted by Section 1207.007(b), Texas Government Code, the Pricing Officer is further authorized to enter into and execute on behalf of the Issuer with the escrow agent named therein, an escrow agreement, in the form and substance as shall be approved by the Pricing Officer, which escrow agreement will provide for the payment in full of the Refunded Obligations (the "Escrow Agreement"). In addition, the Pricing Officer is authorized to purchase such securities with proceeds of the Bonds, to execute such subscriptions for the purchase of the United States Treasury Securities, State and Local Government Series and to transfer and deposit such cash from available funds, as may be necessary or appropriate for the escrow fund described in the Escrow Agreement.

Section 4. CHARACTERISTICS OF THE BONDS. (a) Registration, Transfer, Conversion and Exchange. The Issuer shall keep or cause to be kept at the principal corporate trust office of U.S. Bank National Association, Dallas, Texas (the "Paying Agent/Registrar") books or records for the registration of the transfer, conversion and exchange of the Bonds (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Issuer and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books during regular business

hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth in this Order. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(b) Authentication. Except as provided in Section 4(e) hereof, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Issuer or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Order, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(c) Payment of Bonds and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Order. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Order. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(d) Substitute Paying Agent/Registrar. The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Order, and that the Paying Agent/Registrar will be one entity. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 120 days written notice to the Paying Agent/Registrar,

to be effective not later than 60 days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Order. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Order, and a certified copy of this Order shall be delivered to each Paying Agent/Registrar.

(e) General Characteristics of the Bonds. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may and shall be redeemed prior to their scheduled maturities (notice of which shall be given to the Paying Agent/Registrar by the Issuer at least 50 days prior to any such redemption date), (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Order. The Bonds initially issued and delivered pursuant to this Order is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Order the Paying Agent/Registrar shall execute the Paying Agent/Registrar's Authentication Certificate, in the FORM OF BOND set forth in this Order.

(f) Book-Entry Only System. The Bonds issued in exchange for the Bonds initially issued to the purchaser specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company of New York ("DTC"), and except as provided in subsection (g) hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation with

respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Order to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered owner at the close of business on the Record date, the words "Cede & Co." in this Order shall refer to such new nominee of DTC.

(g) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Order.

(h) Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(i) Cancellation of Initial Bonds. On the closing date, one initial Bond representing the entire principal amount of the Current Interest Bonds and one initial Bond representing the entire maturity amount of the Capital Appreciation Bonds, payable in stated installments to the order of the initial purchaser of the Bonds or its designee, executed by manual or facsimile signature of the President and Secretary of the Board, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for the initial Bonds, the Paying Agent/Registrar shall insert the Issuance Date on Bond No. TCAB-1, cancel each of the initial Bonds and deliver to The Depository Trust Company ("DTC") on behalf of such purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

(j) Conditional Notice of Redemption. With respect to any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the Issuer, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Issuer shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

Section 5. FORM OF BONDS. The form of the Bonds, including forms of the initial Current Interest Bond and the initial Capital Appreciation Bond, the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bonds initially issued and delivered pursuant to this Order, shall be, respectively, substantially as follows, with such appropriate variations, omissions, or insertions as are permitted or required by this Order, and with the Bonds to be completed with information set forth in the Pricing Certificate. The Form of Bond shall be completed with information set forth in the Pricing Certificate and shall be attached to the Pricing Certificate as an exhibit thereto.

<sup>(1)</sup> Final maturity of Bond.

The principal amount of the Current Interest Bonds required to be redeemed pursuant to the operation of such mandatory sinking fund shall be reduced by the principal amount of any Current Interest Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been purchased by the Issuer and delivered to the Paying Agent/Registrar for cancellation or (ii) redeemed pursuant to the optional redemption provision described below and not theretofore credited against a mandatory sinking fund requirement.

IN ADDITION TO THE FOREGOING MANDATORY REDEMPTION, the Current Interest Bonds of this series maturing on and after \_\_\_\_\_ may be redeemed prior to their scheduled maturities on any date on or after \_\_\_\_\_, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Current Interest Bonds, or portions thereof, to be redeemed shall be selected and designated by the Issuer (provided that a portion of a Current Interest Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

AT LEAST 30 days prior to the date fixed for any redemption of Current Interest Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, to the registered owner of each Current Interest Bond to be redeemed at its address as it appeared on the day such notice of redemption is mailed and to major securities depositories, national bond rating agencies and bond information services; provided, however, that the failure of the registered owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Current Interest Bond. By the date fixed for any such redemption, due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Current Interest Bonds or portions thereof which are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Current Interest Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any

Current Interest Bond shall be redeemed a substitute Current Interest Bond or Current Interest Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Order.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, with respect to Current Interest Bonds, in the denomination of any integral multiple of \$5,000, and with respect to Capital Appreciation Bonds, in the denomination of \$5,000 payment at maturity amounts or any integral multiple thereof. As provided in the Bond Order, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer or exchange with respect to Current Interest Bonds (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Current Interest Bond or any portion thereof called for redemption prior to maturity, within 45 days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited, and covenanted that this Bond has been duly and validly authorized, issued, and delivered; that all acts, conditions, and things required or proper to be

performed, exist, and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed, and been done in accordance with law; that this Bond is a general obligation of the Issuer, issued on the full faith and credit thereof; and that ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due, and as such principal matures, have been levied and ordered to be levied against all taxable property in the Issuer, and have been pledged for such payment, without limit as to rate or amount.

THE ISSUER ALSO HAS RESERVED THE RIGHT to amend the Bond Order as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Order, agrees to be bound by such terms and provisions, acknowledges that the Bond Order is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Order constitute a contract between each registered owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the President of the Board of Trustees of the Issuer and countersigned with the manual or facsimile signature of the Secretary of the Board of Trustees of the Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

C. The initial Current Interest Bond shall be numbered "TR-1."

(f) Insertions for the initial Capital Appreciation Bond.

A. immediately under the name of the Bond, the headings "INTEREST RATE" and "MATURITY DATE" shall both be completed with the words "As shown below" and "CUSIP NO. \_\_\_\_\_" shall be deleted.

B. the first paragraph shall be deleted and the following will be inserted:

"WYLIE INDEPENDENT SCHOOL DISTRICT, in Taylor County, Texas (the "Issuer"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assigns (hereinafter called the "registered owner") the Payment at Maturity on the date and in the Maturity Amount set forth in the following schedule:

<u>Maturity Date</u>	<u>Maturity Amount</u>	<u>Interest Rate</u>

(Information for the Capital Appreciation Bonds from Pricing Certificate to be inserted)

The amount shown above as the Maturity Amount represents the principal amount hereof and accrued and compounded interest hereon. For convenience of reference, a table appears on the back of this Bond showing the "Compounded Amount" of the original principal amount plus initial premium, if any, per \$5,000 Maturity Amount compounded semiannually at the yield shown on such table."

C. The initial Capital Appreciation Bond shall be numbered "TCAB-1."

Section 6. TAX LEVY. (a) A special Interest and Sinking Fund (the "Interest and Sinking Fund") is hereby created solely for the benefit of the Bonds, and the Interest and Sinking Fund shall be established and maintained by the Issuer at an official depository bank of the Issuer. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the Issuer, and shall be used only for paying the interest on and principal of the Bonds. All ad valorem taxes levied and collected for and on account of the Bonds, plus accrued interest on the Current Interest Bonds from the dated date thereof to the Issuance Date, shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any of the Bonds or interest thereon are outstanding and unpaid, the governing body of the Issuer shall compute and ascertain a rate and amount of ad valorem tax which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of its Bonds as such principal matures; and said tax shall be based on the latest approved tax rolls of the Issuer, with full allowance being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in the Issuer for each year while any of the Bonds or interest thereon are outstanding and unpaid; and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of the Bonds as such interest comes due and such principal matures are hereby pledged for such payment, without limit as to rate or amount.

(b) Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the registered owners of the Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 7. FACILITIES ALLOTMENT FUNDS; STATE ASSISTANCE FUNDS. (a) In connection with the issuance of the Bonds, the Issuer may receive financial assistance from the Texas Education Agency in accordance with the instructional facilities allotment program established pursuant to Chapter 46, Texas Education Code, as amended (the "Program"). In each fiscal year in which the Issuer receives funding under the Program or any other State funding program which provides a debt service subsidy for the Bonds and, in either case, which requires the Issuer to deposit such debt service subsidy into the Interest and Sinking Fund for the Bonds (such funds being collectively referred to herein as "Debt Subsidy Funds"), the Issuer shall deposit immediately upon receipt the Debt Subsidy Funds received to the credit of the Interest and Sinking Fund for the Bonds created pursuant to Section 6. Notwithstanding the requirements of Section 6, if Debt Subsidy Funds are actually on deposit in the Interest and Sinking Fund for the Bonds in

advance of the time when ad valorem taxes are scheduled to be levied for any fiscal year, then the amount of ad valorem taxes which otherwise would have been required to be levied pursuant to Section 6 shall be reduced to the extent and by the amount of the Debt Subsidy Funds then on deposit in the Interest and Sinking Fund for the Bonds.

(b) To the extent that the Issuer demonstrates to the Texas Attorney General that the Issuer's ability to comply with the requirements of Section 45.0031(a), Texas Education Code, as amended, is contingent on receiving State assistance, the Issuer covenants, to the extent required, and for so long as required, to comply with the provisions of said Section 45.0031(a), and to not set a tax rate for a year until the Issuer has credited to the account of the Interest and Sinking Fund for the Bonds the amounts of State assistance received or to be received in accordance with the terms of said Section 45.0031(a).

Section 8. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired, and no longer outstanding (a "Defeased Bond") within the meaning of this Order, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Order, and such principal and interest shall be payable solely from such money or Defeasance Securities. Notwithstanding any other provision of this Order to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection 8(a)(i) or (ii) shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer also be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money

and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 8(a)(i) or (ii). All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term "Defeasance Securities" means (i) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America., (ii) noncallable obligations of an agency or instrumentality of the United States of America, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality and that, on the date of the purchase thereof are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent, and (iii) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the Issuer adopts or approves the proceedings authorizing the financial arrangements are rated as to investment quality by a nationally recognized investment rating firm not less than AAA or its equivalent.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Order.

(e) In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS. (a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the registered owner applying for a replacement bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Order equally and proportionately with any and all other Bonds duly issued under this Order.

(e) Authority for Issuing Replacement Bonds. In accordance with Subchapter B, Chapter 1206, Texas Government Code, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 4(b) of this Order for Bonds issued in conversion and exchange for other Bonds.

Section 10. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION, CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED. The President of the Board of Trustees of the Issuer is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Order, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. If bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the insurer.

Section 11. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS. (a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 90 days or less until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings);

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(9) to assure that the proceeds of the Bonds will be used solely for new money projects or to refund, either advance or current, bonds or other obligations that were issued after December 31, 2003 and prior to January 1, 2009.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the Issuer for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The Issuer understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the Refunded Obligations expended prior to the date of issuance of the Bonds. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Superintendent to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Disposition of Project. The Issuer covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless the Issuer obtains an opinion of nationally-recognized bond counsel

that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Designation as a Qualified Tax-Exempt Obligations. The Issuer hereby designates the Bonds as "qualified tax-exempt bonds" as defined in section 265(b)(3) of the Code. In furtherance of such designation, the Issuer represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the Issuer (including any subordinate entities) has not designated nor will designate obligations, which when aggregated with the Bonds, will result in more than \$10,000,000 (\$30,000,000 for taxable years beginning after December 31, 2008 and ending prior to January 1, 2011) of "qualified tax-exempt bonds" being issued; (b) that the Issuer reasonably anticipates that the amount of tax-exempt obligations issued, during the calendar year in which the Bonds are issued, by the Issuer (or any subordinate entities) will not exceed \$10,000,000 (\$30,000,000 for taxable years beginning after December 31, 2008 and ending prior to January 1, 2011); and, (c) that the Issuer will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code.

## Section 12. SALE OF BONDS; OFFICIAL STATEMENT.

Section 15. COMPLIANCE WITH RULE 15c2-12. (a) Annual Reports.

(i) The Issuer shall provide annually, within six months after the end of each fiscal year ending in or after 2009, financial information and operating data with respect to the Issuer of the general type described in Exhibit B hereto provided that such information and data is customarily prepared by the Issuer. Such information shall be provided to any

person upon request made to the Issuer; provided that the Issuer reserves the right at any time to commence making such annual filings with the SID (if any, and if none, to each NRMSIR) in lieu of providing such information upon request. Any financial statements so to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit B hereto, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the Issuer commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the Issuer shall provide audited financial statements for the applicable fiscal year to the SID, when and if the audit report on such statements become available.

(ii) If the Issuer changes its fiscal year, it will notify the SID and each NRMSIR of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this paragraph (a). The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to the SID or filed with the SEC.

(b) Material Event Notices. The Issuer shall notify the SID and each NRMSIR, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

1. Principal and interest payment delinquencies;
2. Non-payment-related defaults;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
7. Modifications to rights of holders of the Bonds;
8. Bond calls;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds; and
11. Rating changes.

The Issuer shall notify the SID and each NRMSIR, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (a) of this Section by the time required by such subsection.

(c) Limitations, Disclaimers, and Amendments.

(i) The Issuer shall be obligated to observe and perform the covenants specified in this Section only for so long as, the Issuer remains an "obligated person" with respect to

the Bonds within the meaning of the Rule, except that the Issuer in any event will give the notice required by Subsection (b) hereof of any Bond calls and defeasance that cause the Issuer to no longer be such an "obligated person."

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices that it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under the Order for purposes of any other provision of this Order. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (a) of this Section an

explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

(a) The Issuer may from time to time, without the consent of any Registered Owner, except as otherwise required by paragraph (b) below, amend or supplement this Order to (i) cure any ambiguity, defect or omission in this Order that does not materially adversely affect the interests of the Registered Owners, (ii) grant additional rights or security for the benefit of the Registered Owners, (iii) add events of default as shall not be inconsistent with the provisions of this Order and that shall not materially adversely affect the interests of the Registered Owners, (v) qualify this Order under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (iv) make such other provisions in regard to matters or questions arising under this Order as shall not be materially inconsistent with the provisions of this Order and that shall not, in the opinion of nationally-recognized bond counsel, materially adversely affect the interests of the Registered Owners.

(b) Except as provided in paragraph (a) above, a majority of the Registered Owners of Bonds then outstanding that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the Registered Owners in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be

construed to permit amendment of the terms and conditions of this Order or in any of the Bonds so as to:

- (1) Make any change in the maturity of any of the outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the outstanding Bonds;
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of the Bonds necessary for consent to such amendment.

(c) If at any time the Issuer shall desire to amend this Order under this Section, the Issuer shall send by U.S. mail to each registered owner of the affected Bonds a copy of the proposed amendment.

(d) Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the Registered Owners of at least a majority in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment (or 100% if such amendment is made in accordance with paragraph (b)), which instrument or instruments shall refer to the proposed amendment and which shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Order pursuant to the provisions of this Section, this Order shall be deemed to be modified and amended in accordance with such amendatory Order, and the respective rights, duties, and obligations of the Issuer and all Registered Owners of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the Registered Owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future Registered Owners of the same Bond during such period. Such consent may be revoked at any time after six months from the date of said consent by the Registered Owner who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the Registered Owners the required amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) For the purposes of establishing ownership of the Bonds, the Issuer shall rely solely upon the registration of the ownership of such Bonds on the Registration Books kept by the Paying Agent/Registrar.

#### Section 17. REDEMPTION OF REFUNDED OBLIGATIONS.

(a) Subject to execution and delivery of the Purchase Agreement with the Purchaser, the Issuer hereby directs that the Refunded Obligations be called for redemption on the dates and at the prices set forth in the Pricing Certificate. The Pricing Officer is hereby authorized and directed to issue or cause to be issued the Notice of Redemption of the Refunded Obligations in substantially the form set forth in Exhibit B attached hereto, completed with information from the Pricing Certificate, to the paying agent for the Refunded Obligations.

(b) The paying agent/registrar for the Refunded Obligations is hereby directed to provide the appropriate notice of redemption as required by the Refunded Obligations and is hereby directed to make appropriate arrangements so that the Refunded Obligations may be redeemed on the redemption date.

(c) If the redemption of the Refunded Obligations results in the partial refunding of any maturity of the Refunded Obligations, the Pricing Officer shall direct the paying agent/registrar for the Refunded Obligations to designate at random and by lot which of the Refunded Obligations will be payable from and secured solely from ad valorem taxes of the Issuer pursuant to the order of the Issuer authorizing the issuance of such Refunded Obligations (the "Refunded Bond Order"). For purposes of such determination and designation, all Refunded Obligations registered in denominations greater than \$5,000 shall be considered to be registered in separate \$5,000 denominations. The paying agent/registrar shall notify by first-class mail all registered owners of all affected bonds of such maturities that: (i) a portion of such bonds have been refunded and are secured until final maturity solely with cash and investments maintained by the Escrow Agent in the Escrow Fund, (ii) the principal amount of all affected bonds of such maturities registered in the name of such registered owner that have been refunded and are payable solely from cash and investments in the Escrow Fund and the remaining principal amount of all affected bonds of such maturities registered in the name of such registered owner, if any, have not been refunded and are payable and secured solely from ad valorem taxes of the Issuer described in the Refunded Obligation Order, (iii) the registered owner is required to submit his or her Refunded Obligations to the paying agent/registrar, for the purposes of re-registering such registered owner's bonds and assigning new CUSIP numbers in order to distinguish the source of payment for the principal and interest on such bonds, and (iv) payment of principal of and interest on such bonds may, in some circumstances, be delayed until such bonds have been re-registered and new CUSIP numbers have been assigned as required by (iii) above.

(d) The source of funds for payment of the principal of and interest on the Refunded Obligations on their respective maturity or redemption dates shall be from the funds deposited with the Escrow Agent, pursuant to the Escrow Agreement approved in Section 3 of this Order, or from amounts deposited with the paying agent/registrar for the Refunded Obligations from proceeds of the Bonds, if there is no Escrow Agreement.

Section 18. GOVERNING LAW. This Order shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 19. SEVERABILITY. If any provision of this Order or the application thereof to any circumstance shall be held to be invalid, the remainder of this Order and the application thereof to other circumstances shall nevertheless be valid, and this governing body hereby declares that this Order would have been enacted without such invalid provision.

Section 20. REMEDIES FOR DEFAULT. (a) Upon the happening of any Event of Default, then and in every case, any Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Owners under this Order, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 21. REMEDIES NOT EXCLUSIVE. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Order, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Order.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(c) By accepting the delivery of a Bond authorized under this Order, such Owner agrees that the certifications required to effectuate any covenants or representations contained in this Order do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the Issuer or the Board.
