

Board Meeting Date: 6/8/26

Title: Spanish Dual Language (SDL): Middle School Placement

Type: Action

Presenter(s): Dr. Daniel Bittman, Superintendent

Description: Administration will recommend placement of the Spanish Dual Language program at South View Middle School beginning in the 2028–2029 school year. This recommendation is informed by findings from a yearlong study that were shared with families, staff, administration, and the Board in March, April, and May. The accompanying report summarizes the information gathered and key insights from the review process, and outlines the instructional, operational, and student experience implications associated with placement at each middle school site. This information is intended to support the Board's decision-making.

Recommendation: Approve placement of the Middle School Spanish Dual Language program at South View Middle School beginning with the 2028-2029 school year.

Desired Outcome(s) from the Board: Approve recommendation.
