Re: Retirement

It is with immense sadness that I notify you of my impending retirement. I started working at Napi Elementary in August of 1985. After thirty-one years of dedicated service, at one school, it is time for me to move on.

I have seen many administrators, curriculums and policies come and go. I am finding it necessary to leave teaching now because I do not like the direction that our district is going and I do not feel valued as a senior member of this teaching community.

I would like to make the retirement effective June 30, 2017.
