

Middle School Science Trip

We are participating in a five (5) day science field trip to Florida, sponsored by World strides. There is no cost to the district for this field trip. All costs were covered and paid for by the students attending and Mr. Zurhellen to include transportation to Portland and back. Attached is a full itinerary of our trip. The dates of the trip are June 13th to the 17th. If you have any questions please contact me.

Mr. Zurhellen

Scott

Flight Manifest

Please Note-

- **Flight Issues while at the airport:** In the unlikely event that you experience problems at the airport such as a missed, delayed or diverted flight or encounter a situation where your flight is oversold and the ticket counter is indicating that some of your participants are not holding valid tickets or have been placed on standby, please contact our 24-hour Tour Central Office immediately at 1-800-999-4542.
- **Chaperones:** All chaperones are listed on the bottom of each group list.
- **Traveler List:** This list only reflects active participants flying with the group. Waitlist and land only registrants are not included here.
- **Split Flights:** If your group has several different flight schedules, individual roundtrip schedules vary. Please note that some participants may be listed multiple times within this report to create their roundtrip information.
- **Similar Flights:** Under the column titled "Group" in the chart below, there is an alpha-numeric code (Ex. A1,B1). The letter indicates similar flights. All Inbound "A" groups (A1,A2,A3) are on the same flight. All Return "A" groups are on the same flight. In certain instances, a flight is split into numerical segments (A1,A2,A3) for internal purposes only.
- **E-tickets:** If your group is e-ticketed, please refer to the confirmation number(s) listed when checking in with the airline.
