
Early Childhood Program

September 1, 2015

Pre-K Students

School	AM	PM	Full day
Little Raiders University			33

Academics

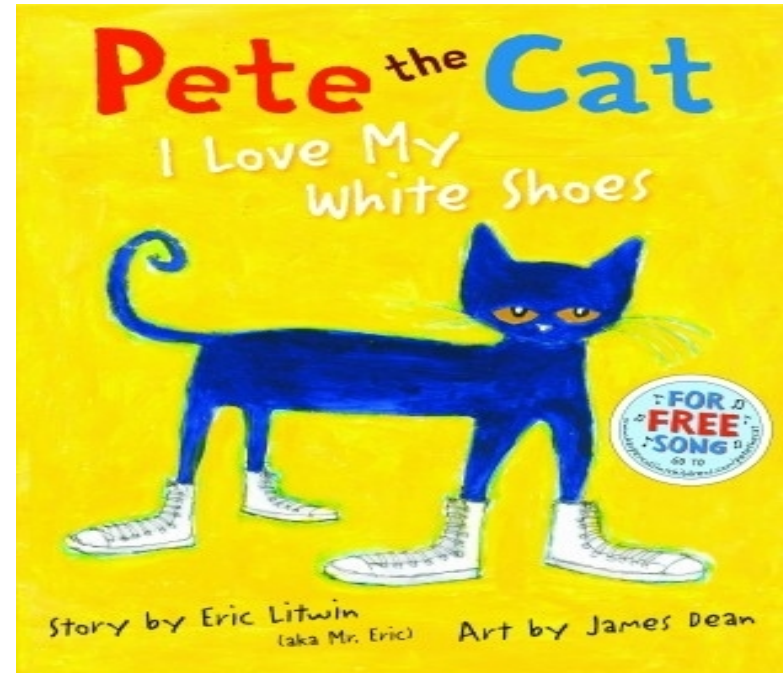

The staff were all very excited to start this school year. The first week of school we learned:

- * Our new friends' names
- * School rules
- * Our daily schedule
- * How to work with markers and paint
- * How to listen to books on CD
- * How to play in the sand table
- * Many new songs
- * And all about our new favorite character,

Pete the Cat

The second week are:

- * Reading more about Pete the Cat
- * Identifying our names and practicing writing them, painting, and counting.

Human Capital

Professional Development:

We started the year with the Convocation on August 24, 2015. We then moved on to the setting up the classrooms at Little Raiders University.

On August 25, 2015 we started the day with campus security, moved on to case manager responsibilities led by Shelley Sheridan, then finished the day with team building, finishing our classroom set up and we had visitors from Little Raider University students and their families.

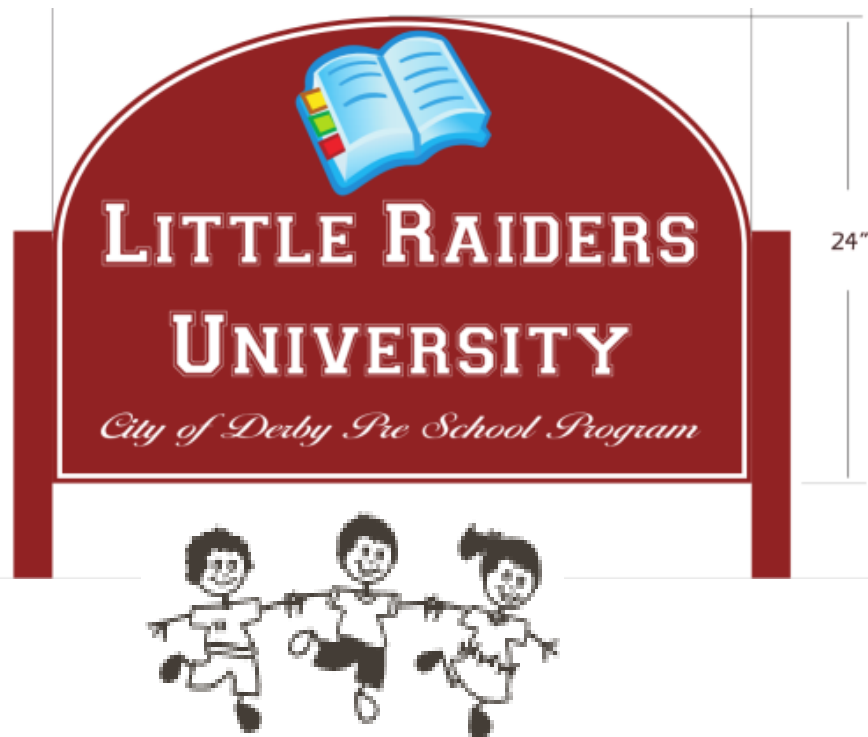

We are in the self study process with our NAEYC accreditation

Operations

We are hopeful to start our playground ground breaking during the month of October .

Culture & Climate

We are partnering with TEAM and receiving a Preschool Dev. Grant for the 2016/2017 school year. The students participating in this grant must meet certain criteria. Students will need to fall into a low family income bracket, they must be 4 years of age who will be entering Kindergarten in 2017/2018 and will attend for a full school day. This grant allows for transportation.

Thank you for your time
