

Davis School District

PUBLIC NOTICE

for Boundary Changes for the 2025-2026 School Year
Canyon Creek and Eagle Bay elementary schools

Public Hearing

Time & Date: 6 p.m., Tuesday, April 15, 2025

Location: Davis School District Auditorium, 45 East State Street, Farmington

The public hearing will be held prior to the Davis School District Board of Education meeting the same evening. This will be an opportunity for community members to voice their opinions and concerns.

Need for Proposed Changes

- **Eagle Bay Elementary School**, which offers Spanish immersion, is experiencing a decline of parents requesting an English-only option in grades 1-3.
- The decline causes considerable difficulty in scheduling for grades 1-3 English-only classes at Eagle Bay, which would not allow those students to experience an effective educational experience.

Proposed Solution

For the 2025-2026 school year, we propose that first, second and third-grade students in Eagle Bay's boundaries who are not enrolled in the immersion program attend **Canyon Creek Elementary School**.

Transportation

Students impacted by this change will be provided district bus transportation to Canyon Creek.
