

Action Sheet

MEETING DATE: May 13, 2020

AGENDA ITEM: Discuss and consider the submission of a proposal for the Magnet Schools Assistance Program grant.

On March 10, the U.S. Department of Education announced the new competition for the Magnet Schools Assistance Program grant for the 2020 school year. The department estimates that it will award 20 – 30 grants ranging from \$700,000 - \$4,000,000 annually for five years. School districts interested in applying must submit the application by May 26, 2020. At this time, we are recommending that we submit an application on behalf of Ball High School and Rosenberg Elementary School. Currently, we have four schools funded under MSAP –Burnet, Crenshaw, Morgan, and Oppe. This will be our fourth grant submission to MSAP.

RECOMMENDATION: I move the Board of Trustees approve the submission of a proposal for Magnet Schools Assistance Program through the U. S. Department of Education.
