Re: Donation from Nike Corporation to EPHS Cross Country Team
DATE: July 25, 2018

As stated in the enclosure, the Nike Corporation would like to donate running shoes and spikes to our Cross Country team as they were impressed with the story done through the Mile Split organization.

According the correspondence between Coach Juan Gonzalez and Lino Almeida, the Nike representative, the monetary value will be approximately \$1000.00 dollars.

We appreciate the generosity demonstrated by Nike, and are requesting permission to accept said donation of the equipment.

Thank you for your consideration.

Mr. Cox,

My name is Lino Almeida and I work for Nike Inc. at our World Campus in Beaverton Oregon. I recently saw the video that was posted on FloTrack/MileSplit about your XC team and Coach Gonzalez. Being a former XC Runner myself, I was so moved and inspired by the heart and commitment the team puts forth every single day, not to mention the support they get from the community and school.

If you guys are willing to accept, we would love to send the team some XC flats/spikes as well as track spikes for those kids that might not be able to afford a pair. Unfortunately, we only have women's size 8 and men's size 10 to donate, but hopefully this will be put to good use over years to come with many different runners! This has to be received as a donation to the school and yourself, as well as Coach Gonzalez, can choose what to do with the spikes/flats.

I was able to find your email online, but I guessed at Coach's email as well based on yours. If his email (CC'd) here is not right, can you forward this to him?

If you guys are willing to accept the donation, can you give me the best shipping address to send a big box of shoes to?

I look forward to hearing back from you soon. Go Eagles!

Thanks,

Lino
