Dear, MSAC-

This letter is to formally express Webberville Community School's interest and application for league membership within the Mid-State Athletic Conference.

Webberville Schools would be interested in any form or condition available regarding league membership. Our district is currently independent and is prepared to accept a membership offer immediately or in the future. An accepted membership offer would be honored with long-term loyalty and commitment to what is in the best interest of the league and all student-athletes of the MSAC.

Webberville Schools is a former long-standing member of the MSAC, and we believe our district would be an excellent fit within the league once again.

Our administrative team would be happy to meet to discuss membership or other relevant details or information needed at your convenience. Thank you for your time and consideration!

Yours in Educational Athletics,

Andrew J. Smith  
Superintendent  
Webberville Community Schools
