

BELLVILLE INDEPENDENT SCHOOL DISTRICT

Meeting of the BISD Board of Trustees

March 27, 2025

Subject:	Consider approving purchase of a replacement Gasoline Fuel Storage Tank for Bellville ISD Transportation Department
Presenter:	Dennis Jurek
Board Policy:	
BISD Goal:	1. Develop and attain local standards for high levels of integrated learning and performance. [LEARNING] 2. Foster a connected, collaborative, and strategic approach to continuous improvement for the district. [LEADERSHIP] 3. Create a culture that attracts, develops, and retains exceptional individuals to be part of our district and community. [HUMAN CAPITAL] 4. Cultivate connections in our schools and community to ensure all feel safe, valued, and engaged in meaningful ways. [COMMUNITY]

Summary:	The existing tank is a 1000-gallon single walled gasoline storage tank installed in 2004. The metal skid containment system is rusted through and has settlement in the bottom of the tank occupying approximately 80 gallons of space. In addition, it does not have a proper ventilation system, limiting us to potential vendors who will provide gasoline. The recommended tank is a 2000-gallon double walled, free standing that can be placed on the existing pad and utilize our currently distribution system
Attachments:	▪ Evaluation Matrix and Bids
Recommendation:	Motion to approve the purchase of a 2000 gallon gasoline tank from Texas Tank Services in the amount of \$15,875.00 and corresponding budget amendments.
