Subject: 24th street

Dear Mr Erlebach,

I am representing my Mother, Barbara Roberts, owner of the home on the south side of 24th street just to the south of school property.

We are negotiating with the city of Rockaway to vacate the road. We have used and maintained the road as our driveway and front lawn since 1973. If we are successful with the city would you be agreeable to have the entire road pass to us? We would take responsibility for all fees incurred.

We greatly appreciate your consideration.
