MEET THE TEACHER NIGHT

Meet the Teacher Night was held on Thursday, August 20th from 4:30-7:00 pm. Parents were asked at registration to sign up for scheduled appointments for their children's teachers. The teachers set aside five 25-minute sessions to discuss classroom expectations and procedures, as well as grade-level and elementary school expectations with the parents and students. Families were given a new Student Handbook, and students brought their supplies to put in their desks. It made for a very smooth first day of school. We had 93% of our parents attend scheduled Meet the Teacher night compared to 52% last year. New students receive handbooks when they register. PTO served popsicles on the West Playground after the parents and students were finished with their appointments.

FUNDRAISER

The annual Fundraiser will begin on September 14th and end on September 28th. This fundraiser is our main source of funding for elementary needs that are not in the budget: technology, playground equipment, etc. This year we are not selling from the catalog. Instead we are selling pre-portioned frozen cookie dough, sweet treats, and flower bulbs.

LEP STUDENTS:

After receiving the Spring 2015 IELA scores for our Homedale Elementary LEP students, we were able to exit 13 from the program. These students have received scores of EF+ (Early Fluent +) in all areas: Listening, Speaking, Reading, Writing, and Comprehension. We will continue to monitor these exited students.
