Regular Meeting - Board of Education

Date: November 12, 2015

Agenda Item #9. E.

TOPIC: Committee Structure Meeting

BACKGROUND: In the January organizational meeting the School Board makes committee assignments and elects officers. During the past year we have seen overlap in some committees and need to determine what, if any changes, to the School Board Committees we want to enact.

In order to effectively use the meeting time, the recommendation is to appoint a sub-committee to make recommendations as to the committee structure for 2016 to the full board. This would include the standing committees, the advisory boards, the governing boards, and school, community education, and district advisory committees.

The possible dates for this sub-committee are: November 23, 30, or December 3, 2015.

ACTION RECOMMENDED: Provide direction to Administration.
