Operational Services

Administrative Procedure - Checklist for Internal Controls

The District's system of internal controls shall include the following:

1.	All	financial transactions must be properly authorized and documented. This includes:
		No check is issued without pre-approved documentation for the expenditure, e.g., a signed voucher, a completed and approved travel request, an approved purchase requisition, an order, or an invoice.
		No bank account is opened or established in the District's or a District school's name or with the District's Federal Employer Identification Number without pre-approved documentation.
		No credit or procurement card is assigned to an individual without pre-approved documentation. All use of a credit or procurement card must be in compliance with Board policy 4:55, <i>Use of Credit and Procurement Cards</i> and administrative procedure 4:55-AP, <i>Controls for the Use of District Credit and Procurement Cards</i> .
		Every receipt to and expenditure from a revolving fund and a petty cash fund are supported with clear documentation and otherwise comply with Board policies 4:50, <i>Payment Procedures</i> and 4:80, <i>Accounting and Audits</i> .
		A record is made of all checks issued and all payments made by credit or procurement cards that includes descriptive information sufficient to allow assignment of the appropriate code.
2.	Fin	ancial records and data must be accurate and complete. This includes:
		Data entries are timely made.
		Cash handling is properly recorded. Checks are sequentially numbered and missing checks are accounted for.
		Financial reporting deadlines are followed.
3. Accounts payable must be accurate and punctual. This includes:

District personal property having a monetary value (excluding, for example, trash, out-dated equipment, consumed consumables, and spoilage) is discarded only with the Board's prior approval. ompatible duties should be segregated, if possible. This includes: Transaction approval is separated from disbursement approval duties so that no single individual controls all phases of the claim payment process.

		All statements from checking accounts and credit cards are reconciled monthly. Expenses are verified against receipts. Out-of-balance conditions are investigated.
7.	Eq	uipment and supplies must be safeguarded. This includes:
		Inventories are periodically taken and inspections are frequently made. A reliable record is kept identifying what technology assets have been provided to specific employees. Access to supplies is limited and controlled.
0		
8.		off members with financial or business responsibilities must be properly trained and pervised, and must perform their responsibilities with utmost care and competence.
		Responsibilities match job descriptions. If required by State law, staff members are appropriately bonded. Staff members are held accountable for complying with Board policies and administrative processes or procedures that have been established to safeguard the District's financial condition. Staff members are appropriately trained and evaluated. Staff members are encouraged to notify their supervisors or the Superintendent of risks, losses, and/or concerns.
9.		y unnecessary weaknesses or financial risks must be promptly corrected. This ludes:
		Internal control concerns raised by the District's independent auditor in connection with the annual financial audit are properly addressed.
		Internal or external auditors are annually engaged to assess risk and/or test existing internal controls for those areas not included within the scope of the annual financial audit; concerns are promptly addressed.
