**Re: Dual Credit FAQ Page**

**Question:**

Dr. Menon asked if Collin College has a dual credit FAQ page on our website

**Answer:**

We have had a dual credit FAQ page on our website for some time, but it is very generic. Public Relations is currently working with AVP Raul Martinez to redesign the Dual Credit site and to create pages with specific information for each participating ISD.

At this time, the site is not ready to go live, but will be available in the coming weeks.
