

Report on School Disciplinary and Safety Programs

The district shall submit to the State Department of Education and Early Development the following information annually, in a format required by the Department:

Program Development and Review

The report shall include, for each school:

- a description of the collaboration with community, parents, and students in development and review of the school’s disciplinary and safety standards;
- the procedures used to develop the community-based standards of school behavior and safety contained in the safety and discipline program;
- the individuals involved in developing the standards;
- the parameters for evaluation to assess the effectiveness of the standards; and
- the period of review and evaluation of the standards.

Incident Reporting

The report shall include, for each school, the number of:

- 1) infractions involving violence against a person at school;

“Infractions involving violence against a person” means a violation of school rules in which a person was injured, was threatened with injury, or reasonably perceived a threat of injury.

- 2) infractions involving a weapon at school;

“Infractions involving a weapon” means a violation of school rules in which a student possessed, used, attempted to use, or threatened to use a weapon, regardless of whether the possession, use, or sale of the weapon was the main infraction committed.

“Weapon” means a dangerous instrument as defined in AS 11.81.900, and any object or instrument that, in the circumstances in which it is used, attempted to be used, or threatened to be used, is capable of causing injury.

- 3) days students were suspended for infractions involving violence against a person or infractions involving a weapon at school;
