******* ACTION ******

BACKGROUND INFORMATION:

Our site base committee decision making committee has determined that additional staff development days would benefit student performance.

We would like to request a waiver to modify the schedule of classes for students who are not being tested to report to and attend school after the state assessment testing period has ended, therefore reducing the interruptions during testing period. Students who are not being tested must still meet the maximum 2 - 4 hour requirement for funding.

We would like to request a waiver of participation in the teacher portal component of the Texas Assessment Management System.

We would like to request a waiver that allows the number of foreign exchange students to 5 at the high school.

We would like to request a waiver that allows us to train staff on various educational strategies designed to improve student performance in lieu of a maximum of 2100 minutes of student instruction.
