C. Honor Roll Schools

Five Midway ISD schools have been named to the 2019-2020 Educational Results Partnership Honor Roll for high achievement in student success.

Congratulations to Midway Middle School, Woodgate Intermediate School, South Bosque Elementary School, Spring Valley Elementary School and Woodway Elementary School.

These schools are among the 3,490 public schools in the nation to receive this distinction.

The ERP Honor Roll program, sponsored by the Campaign for Business and Education Excellence, is part of a national effort to identify higher-performing schools and districts that are improving student outcomes.

Schools that appear on the Honor Roll have demonstrated consistent high levels of student academic achievement, improvement in achievement levels over time and a reduction in achievement gaps among student populations.

Midway Middle, Woodgate Intermediate, Spring Valley Elementary and Woodway Elementary Schools all received recognition in the Star category as high performing, achievement gap closing schools. South Bosque Elementary School was recognized in the Scholar category as an achievement gap closing school exhibiting high performance without significant levels of low-income students.

These schools are all being recognized on the ERP Honor Roll because they have demonstrated the ability to get students to grade-level achievement and beyond.
