Reference: Fee Proposal
Drainage Repairs, Track and Field Replacement
Billy Ryan High School

Dear Mr. Address:

VLK Architects is very appreciative of the opportunity to submit a fee proposal for providing architectural and civil design services for the drainage improvements, demolition and replacement of the 8 lane all-weather running track and the demolition and replacement of the synthetic turf playing field at Billy Ryan High School.

The Basic Services will include architectural and civil design. The proposed fee for the design services is 5.5% of the cost of work. Reimbursable expenses will be billed at the actual cost of the expense.

If you have any questions, please feel free to contact me to discuss at 817.633.9620.

Sincerely,

A handwritten signature in blue ink, appearing to read "SLH 2/14".
