Dear HISD Board,

The 2024-2025 District of Distinction honorees were recently announced at the 2025 TAEA (Texas Art Education Association) Conference in November. These visual art programs submitted all materials to meet the criteria of the comprehensive 14 point rubric. Over 1200 districts and learning institutions were eligible to apply for this prestigious Texas Art Education Association Visual Art Award, 109 districts met the high standards and received this outstanding honor indicating their visual art program is in the top 8% of Visual Art programs in the state.

Hallsville ISD was a third time recipient. Please help me congratulate our honorees and applaud their work advocating for creative learning opportunities that encourage individual growth and connect students to their peers, school, and society at large.

Respectfully,

Shauna B. Hittle
