Have a fantastic, funfilled SUMMER!!!

Summer!!!

Summer is quickly coming upon us all. When I asked the children what summer meant to them they had a plethora of ideas. Summer is a time for fun and relaxing, but I want to remind everyone about being safe. In the classroom we have been reviewing how to be safe riding our bikes, being in and around the water, and going to unfamiliar places. I hope everyone has a fantastic summer!

See you next year!
