◇Based on the 07-08 state standards, USD can announce an increase in the number of Recognized campuses from 14 to 17 schools and from 2 Exemplary campuses to 4. However, this year, the state introduced a new indicator, the Texas Projection Measure (TPM). With TPM, the district can potentially have 20 Recognized campuses and 6 Exemplary.

NOTE: TEA official ratings are expected to be released August 2009
