JL Sports Performance is a community based program with a professional sports network consisting of players from the NFL, NBA and Olympic track and field trainers. We use our professional athletes as sport mentors to train and develop student athletes.

We plan to train youth ages 8-18 from all over the state with a primary focus on Parkrose school district student athletes. We understand there is a need for sports conditioning services within this district. Currently we are providing sports conditioning training to Parkrose track, football and basketball athletes at Rex Putnam High School. We also have a sports mentoring program at Russell Elementary facilitated by coach Jafar and coach Marquis. It is a strategic skill building group with 7 black boys participants. We want to continue to build partnerships with other schools within the district and provide the same type of mentorship program. We need access after school at Parkrose High School facilities (weight room, indoor track, basketball court, football field and pool) five days a week to achieve these goals. We will offer our services free of charge to Parkrose High School students. We do not need any upfront funds from Parkrose school district.

## Info on JL Outreach from Daunte Gouge

They are a training group that wants to use our weight room during the evenings, it would be free to our kids. The number is huge because they want to offer it to all kids 5 days a week until the end of the school year. This service at an athletic club for our kids would be 100 times that amount if they went to an athletic facility

- **How does this directly support Parkrose athletic programs?** This group will work directly with our coaches and our programs supplementing our current lack of a True Wt lifting and training program
- **5 days a week for free, that is a lot of wear and tear on the equipment, can't they pay something?** They are offering several coaches free to our athletes, so in turn this will be a huge boost to our athletic Department
- **Do they have the 2 million insurance?** Yes
- **Who will supervise?** They will be the on site liaisons, and the sessions will be during scheduled Custodial hours
- **They are new to Parkrose, where did they come from, what assurances do we have they'll be a good partner?** I know they are currently running the same program at Rex Putnam and the Athletic Director at RPHS says it has been a great partnership
