Grant Award: Department of Education

Grant Title: TRiO Student Support Services Grant

Award Period: September 1, 2016 – August 31, 2017

Award Amount: \$225,847.00

Matching Requirement: None

Requirements for Consideration:

The TRiO SSS Grant focuses on providing services to low-income, first-generation, and disabled students to increase their graduation and transfer rates to a 4 year college. Funds are used to support a cohort of 144 students that have been accepted into the program. This support includes academic and student support services, instructional materials, and other activities as allowed by the grant guidelines and funding.

The selection criteria for each participant is outlined within the grant and each applicant is scored using the provided rubric. Participants must complete a Project Application, Academic Records Release Form, Academic Self-Assessment, Interview with the SSS Staff, Student Participant Agreement, and must provide their latest income tax form or income documentation. Two-thirds of all project participants must meet the low-income standard set by the U.S. Department of Education's guidelines and first-generation college student criteria. The remaining one-third of the participants must meet the low-income, first-generation college student, or disabled requirement.
