Re: Meal Pricing Recommendations for 2012-2013, Crockett County CCSD

From: Alfred Walker, Walker Quality Services

(Reminding that Adult meal price has to be at or above \$3.00 based on USDA's meal formula in the administrative reference manual.)

Recommendation: Increase pricing based on the meal equity price sheet to the following:

Breakfast - Student	\$1.10	(Currently \$0.90)
Breakfast - Adult / Visitor	\$1.50	(Currently \$1.50)
Lunch Elem	\$2.10	(Currently \$1.85)
Lunch OMS / OHS	\$2.25	(Currently \$1.90)
Lunch - Adult / Visitor	\$3.00	(Currently \$2.50, subsidized as a benefit to \$3.00)

CCCCSD is still way below the \$2.55 price required to be fully compliant per USDA guidelines.

Your prices are still lower than the surrounding area schools, which creates a subsidy issue with food prices and benefits increasing every year.

Let me know if you need anything else.

Respectfully,

Alfred
