Our Performance Based Monitoring Analysis System (PBMAS) report is complete. Due to our 1A rating this year we do not have to submit unless selected to do so. Our Special Education Identification and Special Education Hispanic Representation are both graphed below. The BISD staff has done a great job working together to help lower these numbers.

Admission Review or Dismissal (ARD) meetings are held at least once per year for each student. If all ARD members including the parent agree a child can be dismissed from Special Education at the ARD meeting if dismissal is appropriate.

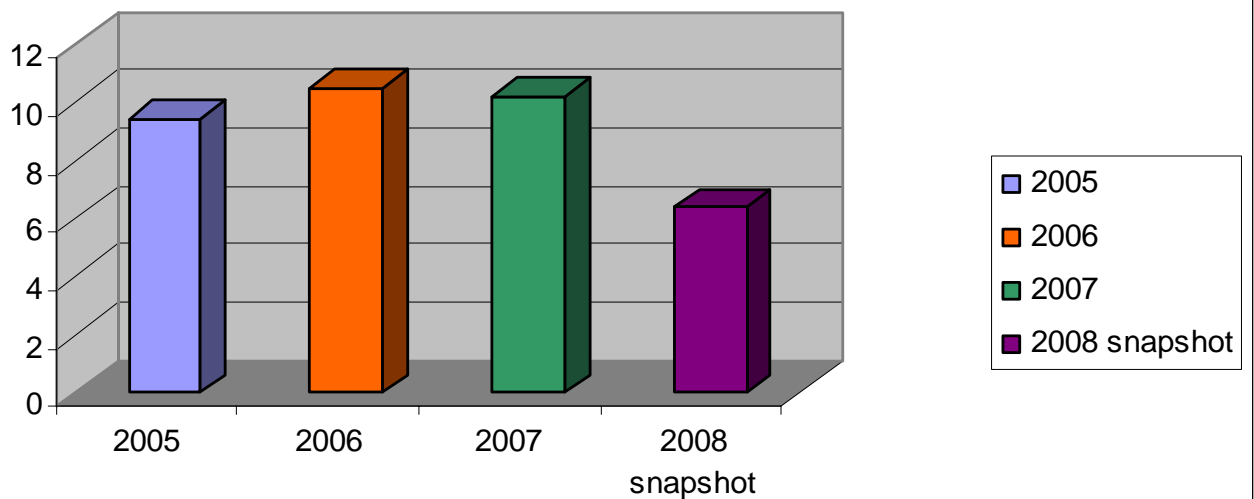

Respectfully,
Melanie Jones

BISD percentage of
Special Education students

The state standard is 8.5% for Special Education Identification

BISD difference between all students and hispanic student representation

The state goal is 1% difference between the whole school population and the Hispanic population.
