### Items for Finance Committee Review:

- Facts4Me.com Renewal for 2024-2025
  - Facts4Me.com is an online visual reference site designed especially for elementary level readers. Facts4Me is designed, written, and maintained by educators. Teachers and students in both Todd and Rutledge Hall have access to this resource.
  - The renewal process for this product has changed and they are now offering a month-to-month option. The district took advantage of this and purchased a 17-month subscription which has aligned this resource for summer planning and purchasing.
  - \$144.50 for service ending on June 30, 2025.
  - The District paid \$100 for the same 12-month service between January 2022 and January 2023 school year.
  
- Everyday Speech for 2024-2025
  - Everyday Speech is a program that is used in speech/social work groups to work with students on social skills/social communication skills. The curriculum uses evidence based practices and provides video modeling, worksheets/activities, and addresses a wide variety of topics. This program was used over the past year, and the Speech/Language Pathologists have found this program to be very effective.

- The yearly subscription has not changed in price and the overall cost will be \$1,343.96 for four subscriptions.
