## Superintendent's Leadership Council

Wednesday, September 15, 2021

Join Zoom Meeting

<https://district90-org.zoom.us/j/87964584243>

1. Welcome back to SLC!
2. Introduction of new member
3. Survey Matrix: Process and Next Steps
4. New SBG Middle School Consultant:

*Ken Mattingly: a science teacher at Rockcastle County Middle School in Mount Vernon, Kentucky, has 23 years of experience in sixth and seventh grades and holds national certification in early adolescent science. He has worked on implementing classroom assessment for student learning practices in his classroom for the past twelve years, and led the implementation of standards-based grading in his school. During the past two years Ken has worked with multiple school districts across Kentucky to help develop a vision of balanced assessment, promote transparency in grading practices, and shift the teacher and student focus to the learning instead of the grade.*

5. Road Map, Progress Checklists, and Documentation for 2021-2022
6. Half Day for School Improvement Agenda
7. Shared Communication for September 24th
  - a. Accomplishments
  - b. Road map
  - c. Tools
  - d. Goals for timelines/PD calendar events
  - e. Other?

Next meeting: Wednesday, October 20, 2021
