Newsletter

December 5, 2017—Volume 5, Issue 3

Here we are to the end of the first trimester....one-third of the school year has been completed! We had much to celebrate as the trimester came to a close. In November, thanks to the Mudd-Nick Foundation, 27 students along with three chaperones visited Boeing Institute of Flight, attending various workshops and tours. The varsity football team played in the first round of state football playoffs in Hermiston on November 4th.....this was the first playoff appearance for the Pirates in 21 years!!!! The girls' cross country team participated in the 2A State Cross Country Meet at Lane Community College also on November 4th. The high school track improvement project is nearing completion. 19 students celebrated trimester one perfect attendance by traveling to iFLY in Tigard, Oregon where they learned about indoor skydiving and then each student had the opportunity to "fly"! Before traveling back to the coast the students enjoyed a pizza lunch. We feel it has been a very successful and busy start to the 2017-2018 school year!!

There are a number of flyers included in this mailing for your information:

- ♦ The Neah-Kah-Nie High School and the Neah-Kah-Nie School District Report Cards provide a snapshot comparison of our school and district with the state averages and schools/districts of comparable size.
- ♦ Neah-Kah-Nie School District Board of Directors vacancy announcement.
- ♦ The 2017-2018 30-Day Notice for Statewide Tests is enclosed for your review.
- ♦ Head Lice 101 information for the school health nurse.
- ♦ Project Homeless Connect upcoming January 31st, 2018.

If you have questions pertaining to the enclosed flyers, please contact the high school office.

happy
holidays!

WINTER BREAK BEGINS DECEMBER 18TH. SCHOOL RESUMES JANUARY 2ND, 2018.

MISSION STATEMENT

Neah-Kah-Nie commits to providing a learning community focused on improvement, persistence and integrity.

VISION STATEMENT

Full engagement in rigorous academics and healthy activities will produce graduates able to apply the literacy, problem solving, creativity and technology skills needed for success in college and the work force.
