### State Goals

The Oregon Department of Education is working in partnership with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Pendleton High School strives to create a safe, caring, and respectful school environment where all students feel they belong and can succeed. We have a school-based health clinic, child care for our parenting teens, and a variety of agencies that provide a range of services for our students.
