Grant No. **39144**

This Grant Agreement (“Grant”) is between the State of Oregon acting by and through its Department of Education (“Agency”) and **Alsea SD 7J** (“Grantee”), each a “Party” and, together, the “Parties”.

SECTION 1: AUTHORITY

Pursuant to the **Student Success Act**, codified at 2019 Oregon Laws Chapter 122, as amended from time to time (the “Act”), ORS 327.175 establishes the Student Investment Account, and subsection (4) provides that moneys in the Account are continuously appropriated to the Oregon Department of Education for the purpose of distributing grants under ORS 327.195.

In accordance with ORS 327.185, Student Investment Account grants may be awarded to eligible applicants: school districts, eligible charter schools, Youth Corrections Education Programs (YCEP), and Juvenile Detention Education Programs (JDEP).

SECTION 2: PURPOSE

The purpose of this grant is to provide funding to assist in meeting students’ mental and behavioral health needs, increase academic achievement, and reduce academic disparities for student populations identified in ORS 327.180(2)(b). These populations include , but are not limited to, economically disadvantaged students, students from racial or ethnic groups that have historically experienced academic disparities, students with disabilities, English language learners, students who are homeless, and students who are foster children, and any other student groups that have historically experienced academic disparities, as determined by the State Board of Education by rule.

SECTION 3: EFFECTIVE DATE AND DURATION

When all Parties have executed this Grant, and all necessary approvals have been obtained (“Executed Date”), this Grant is effective and has a Grant funding start date as of July 1, 2025 (“Effective Date”), and, unless extended or terminated earlier in accordance with its terms, will expire on September 30, 2027.

1. **TBA** equals the total final allocation for 2025 -27 based on the final approved budget.
2. **2025-27 Q1** amount reflects the portion of the 2025-27 biennium projected and made available under the Prior Grant Agreement.
3. **2025-26 Year 1 Allocation - CURRENT** represents the portion of the 2025-27 TBA remaining after subtracting the amount already made available under the Prior Grant Agreement. These funds are authorized for disbursement during year 1 of the biennium.
4. **2026-27 Year 2 Allocation - RESERVED** represents the portion of the 2025-27 TBA that is identified for Year 2 but not yet released. Disbursement of this amount is contingent upon written authorization from Agency confirming funds are available for release.
5. **2027-29 Quarter 1** is a projection and will be disbursed subject to the provisions in Exhibit A. The terms and conditions of this Grant apply to the use of these funds. While this allocation is administered under this Grant, its period of performance under this Grant will roll into the full 2027-29 biennial period of performance under the subsequent grant agreement.
6. **Total Grant Funds** include both the current biennium allocation and the projected 2027-29 Q1 amount.

Agency will pay the Grant Funds from monies available in the Student Investment Account ("Funding Source"). A reduction in the monies in the Funding Source may result in a decrease in Grant Funds available to Agency and a reduction in disbursements to Grantee under this Grant.

SECTION 7: DISBURSEMENT GENERALLY

7.1 Disbursement.

- 7.1.1 Subject to the availability of sufficient moneys in and from the Funding Source based on Agency's reasonable projections of moneys accruing to the Funding Source, Agency will disburse Grant Funds to Grantee for the allowable Project activities described in Exhibit A that are undertaken during the Performance Period.
- 7.1.2 Grantee must provide to Agency any information or detail regarding the expenditure of Grant Funds required under Exhibit A prior to disbursement or as Agency may request.
- 7.1.3 Agency will only disburse Grant Funds to Grantee for activities completed or materials produced, that, if required by Exhibit A, are approved by Agency. If Agency determines any completed Project activities or materials produced are not acceptable and any deficiencies are the responsibility of Grantee, Agency will prepare a detailed written description of the deficiencies within 15 days of receipt of the materials or performance of the activity, and will deliver such notice to Grantee. Grantee must correct any deficiencies at no additional cost to Agency within 15 days. Grantee may resubmit a request for disbursement that includes evidence satisfactory to Agency demonstrating deficiencies were corrected.

- 7.2 **Conditions Precedent to Disbursement.** Agency's obligation to disburse Grant Funds to Grantee under this Grant is subject to satisfaction of each of the following conditions precedent:

- 8.1.4** If applicable and necessary, the execution and delivery of this Grant by Grantee has been authorized by an ordinance, order or resolution of its governing body, or voter approval, that was adopted in accordance with applicable law and requirements for filing public notices and holding public meetings; and
- 8.1.5** There is no proceeding pending or threatened against Grantee before any court or governmental authority that if adversely determined would materially adversely affect the Project or the ability of Grantee to carry out the Project.
- 8.2 False Claims Act.** Grantee acknowledges the Oregon False Claims Act, ORS 180.750 to 180.785, applies to any “claim” (as defined by ORS 180.750) made by (or caused by) Grantee that pertains to this Grant or to the Project. Grantee certifies that no claim described in the previous sentence is or will be a “false claim” (as defined by ORS 180.750) or an act prohibited by ORS 180.755. Grantee further acknowledges in addition to the remedies under Section 16, if it makes (or causes to be made) a false claim or performs (or causes to be performed) an act prohibited under the Oregon False Claims Act, the Oregon Attorney General may enforce the liabilities and penalties provided by the Oregon False Claims Act against the Grantee.
- 8.3 No limitation.** The representations and warranties set forth in this Section are in addition to, and not in lieu of, any other representations or warranties provided by Grantee.

SECTION 9: OWNERSHIP

- 9.1 Intellectual Property Definitions.** As used in this Section and elsewhere in this Grant, the following terms have the meanings set forth below:
- “Third Party Intellectual Property” means any intellectual property owned by parties other than Grantee or Agency.
- “Work Product” means every invention, discovery, work of authorship, trade secret or other tangible or intangible item Grantee is required to create or deliver as part of the Project, and all intellectual property rights therein.
- 9.2 Grantee Ownership.** Grantee must deliver copies of all Work Product as directed in Exhibit A. Grantee retains ownership of all Work Product, and grants Agency an irrevocable, non-exclusive, perpetual, royalty-free license to use, to reproduce, to prepare derivative works based upon, to distribute, to perform and to display the Work Product, to authorize others to do the same on Agency’s behalf, and to sublicense the Work Product to other entities without restriction.
- 9.3 Third Party Ownership.** If the Work Product created by Grantee under this Grant is a derivative work based on Third Party Intellectual Property, or is a compilation that includes Third Party Intellectual Property, Grantee must secure an irrevocable, non-exclusive, perpetual, royalty-free license allowing Agency and other entities the same rights listed above for the pre-existing element of the Third party Intellectual Property employed in the Work Product. If state or federal law requires that Agency or Grantee grant to the United States a license to any intellectual property in the Work Product, or if state or federal law requires Agency or the United States to own the intellectual property in the Work Product,

the specific steps Grantee will take to prevent the recurrence of the Breach or to ensure the potential Breach will not recur. For the avoidance of doubt, if Agency determines notice is required of any such Breach to any individual(s) or entity(ies), Agency will have sole control over the timing, content, and method of such notice, subject to Grantee's obligations under applicable law.

- 10.4 Subgrants/Contracts.** Grantee must require any subgrantees, contractors or subcontractors under this Grant who are exposed to or acquire Confidential Information to treat and maintain such information in the same manner as is required of Grantee under subsections 10.1 and 10.2 of this Section.
- 10.5 Background Check.** If requested by Agency and permitted by law, Grantee's employees, agents, contractors, subcontractors, and volunteers that perform Project activities must agree to submit to a criminal background check prior to performance of any Project activities or receipt of Confidential Information. Background checks will be performed at Grantee's expense. Based on the results of the background check, Grantee or Agency may refuse or limit (i) the participation of any Grantee employee, agent, contractor, subgrantee, or volunteer, in Project activities or (ii) access to Agency Personal Information or Grantee premises.

SECTION 11: INDEMNITY/LIABILITY

- 11.1 Indemnity.** Grantee must defend, save, hold harmless, and indemnify the State of Oregon and Agency and their officers, employees and agents from and against all claims, suits, actions, losses, damages, liabilities, costs, and expenses of any nature whatsoever, including attorneys' fees, resulting from, arising out of, or relating to the activities of Grantee or its officers, employees, subgrantees, contractors, subcontractors, or agents under this Grant (each of the foregoing individually or collectively a "Claim" for purposes of this Section).
- 11.2 Defense.** Grantee may have control of the defense and settlement of any Claim subject to this Section. But neither Grantee nor any attorney engaged by Grantee may defend the Claim in the name of the State of Oregon, nor purport to act as legal representative of the State of Oregon or any of its agencies, without first receiving from the Attorney General, in a form and manner determined appropriate by the Attorney General, authority to act as legal counsel for the State of Oregon. Nor may Grantee settle any Claim on behalf of the State of Oregon without the approval of the Attorney General. The State of Oregon may, at its election and expense, assume its own defense and settlement in the event the State of Oregon determines Grantee is prohibited from defending the State of Oregon, or is not adequately defending the State of Oregon's interests, or an important governmental principle is at issue and the State of Oregon desires to assume its own defense. Grantee may not use any Grant Funds to reimburse itself for the defense of or settlement of any Claim.
- 11.3 Limitation.** Except as provided in this Section, neither Party will be liable for incidental, consequential, or other indirect damages arising out of or related to this Grant, regardless of whether the damages or other liability is based in contract, tort (including negligence), strict liability, product liability or otherwise. Neither Party will be liable for any damages of any sort arising solely from the termination of this Grant in accordance with its terms.

- 15.1 Grantee.** Grantee will be in default under this Grant upon the occurrence of any of the following events:
- 15.1.1** Grantee fails to use the Grant Funds for the intended purpose described in Exhibit A or otherwise fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant;
 - 15.1.2** Any representation, warranty or statement made by Grantee in this Grant or in any documents or reports relied upon by Agency to measure the Project, the expenditure of Grant Funds or the performance by Grantee is untrue in any material respect when made; or
 - 15.1.3** A petition, proceeding or case is filed by or against Grantee under any federal or state bankruptcy, insolvency, receivership or other law relating to reorganization, liquidation, dissolution, winding-up or adjustment of debts; in the case of a petition filed against Grantee, Grantee acquiesces to such petition or such petition is not dismissed within 20 calendar days after such filing, or such dismissal is not final or is subject to appeal; or Grantee becomes insolvent or admits its inability to pay its debts as they become due, or Grantee makes an assignment for the benefit of its creditors.
- 15.2 Agency.** Agency will be in default under this Grant if, after 15 days written notice specifying the nature of the default, Agency fails to perform, observe or discharge any of its covenants, agreements, or obligations under this Grant; provided, however, Agency will not be in default if Agency fails to disburse Grant Funds because there is insufficient expenditure authority for, or moneys available from, the Funding Source.

SECTION 16: REMEDIES

- 16.1 Agency Remedies.** In the event Grantee is in default under Section 15.1, Agency may, at its option, pursue any or all of the remedies available to it under this Grant and at law or in equity, including, but not limited to: (i) termination of this Grant under Section 18.2, (ii) reducing or withholding payment for Project activities or materials that are deficient or Grantee has failed to complete by any scheduled deadlines, (iii) requiring Grantee to complete, at Grantee's expense, additional activities necessary to satisfy its obligations or meet performance standards under this Grant, (iv) initiation of an action or proceeding for damages, specific performance, or declaratory or injunctive relief, (v) exercise of its right of recovery of overpayments under Section 17 of this Grant or setoff, or both, or (vi) declaring Grantee ineligible for the receipt of future awards from Agency. These remedies are cumulative to the extent the remedies are not inconsistent, and Agency may pursue any remedy or remedies singly, collectively, successively or in any order whatsoever.
- 16.2 Grantee Remedies.** In the event Agency is in default under Section 15.2 and whether or not Grantee elects to terminate this Grant, Grantee's sole monetary remedy will be, within any limits set forth in this Grant, reimbursement of Project activities completed and accepted by Agency and authorized expenses incurred, less any claims Agency has against Grantee. In no event will Agency be liable to Grantee for any expenses related to termination of this Grant or for anticipated profits.

18.3.3 Immediately upon written notice to Agency, if Agency is in default under this Grant and such default remains uncured 15 days after written notice thereof to Agency.

18.4 Cease Activities. Upon receiving a notice of termination of this Grant, Grantee must immediately cease all activities under this Grant, unless Agency expressly directs otherwise in such notice. Upon termination, Grantee must deliver to Agency all materials or other property that are or would be required to be provided to Agency under this Grant or that are needed to complete the Project activities that would have been performed by Grantee.

SECTION 19: MISCELLANEOUS

19.2 Nonappropriation. Nothing in this Grant may be construed as permitting any violation of Article XI, Section 7 of the Oregon Constitution or any other law limiting the activities, liabilities or monetary obligations of Agency.

19.3 Amendments. The terms of this Grant may not be altered, modified, supplemented or otherwise amended, except by written agreement of the Parties.

19.4 Notice. Any notice so addressed and mailed becomes effective five (5) days after mailing. Any notice given by personal delivery becomes effective when actually delivered. Any notice given by email becomes effective upon the sender's receipt of confirmation generated by the recipient's email system that the notice has been received by the recipient's email system.

19.5 Survival. All rights and obligations of the Parties under this Grant will cease upon termination of this Grant, other than the rights and obligations arising under Sections 11, 13, 14, 16, 17 and subsection 19.5 hereof and those rights and obligations that by their express terms survive termination of this Grant; provided, however, termination of this Grant will not prejudice any rights or obligations accrued to the Parties under this Grant prior to termination.

19.6 Severability. The Parties agree if any term or provision of this Grant is declared by a court of competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Grant did not contain the particular term or provision held to be invalid.

THE PROJECT

SECTION I – BACKGROUND AND GOALS

Signed into law in May of 2019, the Student Success Act (SSA) is a historic opportunity for Oregon schools. The law is rooted in equity, authentic community engagement and shared accountability for student success.

SSA established the Student Investment Account (SIA) to provide Oregon school districts, eligible charter schools, YCEP, and JDEP with access to non-competitive grant funds. Each SIA applicant is required to collaborate with educators, students, families, and their community to develop a plan that outlines priorities and activities aligned to the allowable uses defined in law.

The SIA grants are designed to achieve two primary purposes:

- 1) Meeting students' mental and behavioral health needs, and
- 2) Increasing academic achievement and reducing academic disparities for students from racial or ethnic groups that have historically experienced academic disparities; students with disabilities; English language learners; economically disadvantaged students; students who are homeless; and students who are foster children.

Achievement of these purposes will be measured through Progress Markers and, for larger districts, Longitudinal Performance Growth Targets (LPGTs), forming the basis for the activities, outcomes and reporting requirements described in the following sections of this Exhibit.

SECTION II – PROJECT DEFINITIONS

The following capitalized terms have the meanings assigned below for purposes of Exhibits A and B. Definitions are derived from the Act, applicable administrative rules, and the Guidance for Eligible Applicants issued by the Agency.

“Act” means the “Student Success Act” codified in 2019 Oregon Laws Chapter 122, as amended from time to time, inclusive.

“Allowable Project Costs” means Grantee’s actual costs that are reasonable, necessary, and directly related to the implementation of the Integrated Plan and are allowable uses of the Grant Funds under the Act.

“Baseline Targets” means the minimum expectations for improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further defined in the December 2019 “Guidance for Eligible Applicants”.

“Common Metrics” means the Five-Year Completion Rate, Third-Grade Reading Proficiency Rate, Ninth-Grade On-Track Rate, Regular Attendance Rate, and Four-Year On-Time Graduation rate used by the Agency to measure the success of activities funded by the SIA.

“SIA Account” means the Student Investment Account established, pursuant to ORS 327.175, within the Fund for Student Success for the purpose of distributing grants under ORS 327.195.

“Stretch Targets” means significant improvement set forth in the Integrated Plan by the district in either: (i) raising academic achievement or (ii) reducing academic disparities and closing gaps, as further described in the December 2019 “Guidance for Eligible Applicants”.

“Third-Grade Reading Proficiency Rate” has the meaning given in section 12(g) of the Act.

SECTION III – PROJECT ACTIVITIES

Integrated Plan Implementation

Agency will disburse Grant Funds for Allowable Project Costs that implement Grantee’s approved Integrated Plan during the Performance Period, in accordance with the allowable uses and activities described in the Act and as further detailed in the “Allowable Use of Grant Funds” section below.

 - Facility improvements directly related to improving student health or safety.
3. Reducing class sizes, which may include:
 - increasing the use of instructional assistants, by using evidence-based criteria to ensure appropriate student-teacher ratios or staff caseloads.
4. Expanding availability of and student participation in well-rounded learning experiences, which may include:
 - Developmentally appropriate and culturally responsive early literacy practices and programs in prekindergarten through third grade;
 - Culturally responsive practices and programs in grades six through eight, including learning, counseling and student support that is connected to colleges and careers;
 - Broadened curricular options at all grade levels, including access to:
 - Art, music, and physical education classes;
 - Science, technology, engineering, and mathematics (STEM) education;
 - Career and technical education, including career and technical student organization programs;

SIA Grant Monitoring

The Agency will monitor Grantee's performance under this Grant in person, video conferencing or by phone. Agency will provide written notice to Grantee, as provided in Section 19.4 of the Grant, at least 15 days in advance of Agency's monitoring activities and will schedule in person visits, video conferencing and phone calls.

A Grant monitoring visit or call may cover a variety of topics at Agency's discretion including but not limited to: Grantee's compliance with the SIA Account purposes; challenges faced by the Grantee in implementing its Plan; Integrated Plan outcomes; its budget and expenditure of moneys received from the SIA Account, Grantee's progress toward achieving its Progress Markers; financial reporting, any expenditure changes, and reconciliation of Grant Funds; or Grantee's training and technical assistance needs.

Before an on-site visit, the Agency will advise Grantee on how to prepare for the monitoring visit and financial reconciliation, the format for the visit, and which Grantee organizational leaders, staff or others should be involved in the visit. Once a date and time are confirmed, the Grantee should send a notification to its organizational leaders, staff, students and community partners who are expected to participate; identify a meeting location and prepare all necessary monitoring documents and data.

The department may establish a procedure for conducting performance audits on a random basis or based on just cause as allowed under rules adopted by the board. If Grantee does not use the Grant Funds for Allowable Project Costs, the Agency may exercise the remedies provided in Section 16 or 17 of this Grant, including, without limitation, deducting amounts from future disbursements of Grant Funds.

Each grant recipient must conduct a performance review at least once every four years in accordance with standards adopted in board rule (OAR 581-014-0013) to ensure accountability and continuous improvement of SIA-funded activities.

EXHIBIT B

COMMON AND CUSTOMIZED PERFORMANCE FRAMEWORK

ALSEA SD 7J

SECTION I – PROGRESS MARKERS FOR 2025-2027 BIENNium

The Progress Markers outlined in this Exhibit B provide a framework for measuring the outcomes and activities described in Exhibit A. They support a developmental approach to evaluation, focusing on the types of changes that result from distinct investments. Grantees will provide updates toward these Progress Markers through the quarterly and annual reports. The fifteen Progress Markers below are organized into three categories: A 'Start to See,' B 'Gaining Traction,' and C 'Profound Progress,' representing advancement from early signs of progress to substantial and transformational changes.

- A. "Start to See: Early Signs of Progress"** Based on your investments and activities, what changes or contributions are you noticing? What practices are improving?
- B. "Gaining Traction: Intermediate Changes"** Based on your investments and activities, are you seeing any of these impacts?
- C. "Profound Progress: Substantial and Significant Changes"** Based on your investments and activities, are any of these more transformational changes noticeable?

A. Start to See: Early Signs of Progress

1	Community engagement is authentic, consistent, and ongoing. The strengths that educators, students, families, focal groups, and tribal communities bring to the educational experience informs school and district practices and planning.
2	Equity tools are utilized in continuous improvement cycles, including the ongoing use of an equity lens or decision-tool that impacts policies, procedures, people/students, resource allocation, and practices that may impact grading, discipline, and attendance.
3	Data teams are formed and provided time to meet regularly to review disaggregated student data in multiple categories (grade bands, content areas, attendance, discipline, mental health, participation in advanced coursework, formative assessment data, etc.). These teams have open access to timely student data and as a result decisions are made that positively impact district/school-wide systems and focal populations.
4	Schools and districts have an accurate inventory of literacy assessments, tools, and curriculum being used, including digital resources, to support literacy (reading, writing, listening, and speaking). The inventory includes a review of what resources and professional development are research-aligned, formative, diagnostic, and culturally responsive.

B. Gaining Traction: Intermediate Changes

5	Two-way communication practices are in place, with attention to mobile students and primary family languages. Families understand approaches to engagement and attendance, literacy strategy, math vision, what "9th grade on-track" means, graduation requirements, access to advanced/college-level courses and CTE experiences, and approaches to supporting student well-being and well-rounded education.
6	Student agency and voice is elevated. Educators use student-centered approaches and instructional practices that shift processes and policies that actualize student and family ideas and priorities.

SECTION II – FINALIZED CO-DEVELOPED LPGTS

The Longitudinal Performance Growth Targets (LPGTs) include baseline, stretch, and gap-closing targets for each of the common metrics. These targets center focal student groups while supporting public transparency and learning. Progress toward meeting these Longitudinal Performance Growth Targets will be included in the Annual Report. While all three types of targets are named in the Grant Agreement, ODE will review and consider when or if intervention is needed using only the Baseline and Gap-Closing Targets, in alignment with ODE guidance on target-setting and reporting practices.

Target Type	2025-26	2026-27	2027-28
Four Year Cohort Graduation
