

Memo

To: Superintendent Jeff Stephens, Weber School District Board of Education
From: Lynn Raymond, Administrative Director of Technology
CC: Robert Petersen, Dax Teuscher
Date: November 19, 2021
Re: Bid and Purchase requests

It is necessary to implement Multi-Factor Authentication (MFA) for all Weber School District employees. Multi-Factor Authentication will significantly increase the security and protection of Weber School District's Network, Servers and Databases. Funds for this purchase are from regular operating budgets. The prices listed are below NASPO/State Contract price.

I am requesting board approval for the following:

Duo Multi Factor Authentication – Not to exceed \$65,000

- (4600) Duo Access Licenses for all staff
- (150) Duo Hardware Tokens

Thank you for your consideration of this acquisition. District procurement guidelines will be followed. These items are important to the safe, reliable and secure operation of our school networks. I appreciate your continued support of technology in the district. If I can provide you with further clarification or answers to questions, please contact me at 801-476-7977. Alternatively, you can reach me on my cell phone at 801-540-1014.

Thank you.

Lynn Raymond
Director of Technology
