

Meeting Date: June 9, 2026

Agenda Topic: Agreement for Usage of District Clinic

Type of Item: Consent

Guiding Outcome: Exceptional Workplace Environment

Summary: This agenda item outlines the potential access of medical services through the District Medical Clinics by School Board members and their eligible dependents.

Background Information/
Previous Board Action: Participation in this agreement will allow Trustees to witness firsthand the impacts and benefits of the two District Clinics for our District employees and inform future decision-making on items related to the clinics and other health and wellness benefits potentially offered to stakeholders.

All access will be governed by the attached memorandum and will be monitored and revised as needed by the District Benefits department.

Potential Operational Impact:

Potential Financial Impact: No impact to the District budget

Recommendation (Consent or
New Business Only): Recommended to approve this agreement as outlined in the attached Memorandum

Division: Business & Administrative Services

Department: Risk Management / Benefits

Submitted By: Jeremy Thompson, Deputy Superintendent
Chris Bomberger, Executive Director of Administrative Services
