We are proud to celebrate the SBISD Procurement Services team for earning the TASBO Purchasing Award of Merit for the 14th consecutive year!

Established in 2009, this prestigious award recognizes Texas school districts, open-enrollment charter schools, and education service centers that uphold the highest professional standards in the procurement of goods and services. Each year, volunteers from the TASBO Purchasing & Supply Management Research Committee review and refine the award criteria to reflect the latest best practices before evaluating new and recertification applications.

Congratulations to Lawanda Coffee, Executive Director of Compliance and Procurement, Christine Porter, Associate Superintendent for Finance, and their dedicated team on this outstanding achievement!
