

RECOGNITION OF STUDENTS, STAFF AND COMMUNITY**SUMMARY**

Beaverton School District recognizes district staff for their outstanding contributions for the relocation of the Clothes for Kids program and awards for budget presentation and financial reporting.

DESCRIPTION**Clothes for Kids Relocation Project**

Beaverton School District recognizes Kara Yunck for her outstanding contributions to the district and the community.

Clothes for Kids (C4K) is a district-run, volunteer-supported effort that supplies free, gently used clothing and shoes to BSD families in need. Last year, C4K volunteers served families during 4,000 visits to the portable located on the west side of the District Support Center on Merlo Road. Thanks to 2022 Bond funds, C4K was relocated to a much larger portable on the opposite side of the facility this summer.

This difficult and time-consuming relocation was orchestrated and supervised by Kara Yunck, Communications Coordinator in the Communications & Community Involvement Department. It involved boxing, moving, reorganizing and labeling more than 50,000 items and developing new systems to better serve our client families. Kara went above and beyond in these efforts, working weekends throughout the summer to ensure that C4K was ready to open on time for back-to-school shopping. Her efforts, combined with our Maintenance team and other CCI team members, have resulted in a space that is more welcoming and functional for our families and volunteers. Kara is recognized for her exceptional efforts to successfully accomplish the relocation to better serve students and families.
