AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **March 9, 2017**

**TITLE: Direction to Governing Board Consultant Regarding Further Actions in
Superintendent Search Process**

BACKGROUND:

Following the Governing Board's Executive Session screening applications for the position of Superintendent, the Board may wish to provide direction to the Arizona School Boards (ASBA) consultant regarding the next steps to be taken in the District Superintendent search process.

Depending on the screening process, the direction provided by the Board may vary, but might include:

1. A Motion directing the re-advertising of the District Superintendent position.
(If the Board determines that additional applicants should be solicited, for example.)
2. A Motion directing the consultant to contact specified applicants to arrange for interviews.
(This may be done by application numbers, or other designators, in order to maintain confidentiality of applicant names until such time as disclosure is required by law.)
3. Discussion and consideration of the District Superintendent interview process and interview schedule;
a Motion to finalize the interview schedule.
4. Discussion and consideration of interview question themes; a Motion authorizing the Board President to work with ASBA to finalize interview questions.
5. A Motion to direct other actions by the consultant as appropriate or required.

RECOMMENDATION:

It is recommended that the Governing Board direct its consultant as to the next steps to be taken in the search process based upon the outcome of the application screening process conducted in Executive Session. It is also recommended that the Board authorize the Board President to work with the consultant on the finalization of interview questions and to direct other actions by the consultant as appropriate or required.
