GOAL: 4

OBJECTIVE: 4A

SUBJECT:

Consider Board approval of Printing Services Proposals.

RATIONALE:

State law requires an approved method for acquisition of goods or services totaling over \$50,000.00 for a 12-month period. Estimated expenditures for printing services could exceed that amount.

Vendor packets were made available on the Huntsville ISD website and completed responses were received from three (4) vendors.

RECOMMENDATION:

The administration recommends that Printing Services be awarded to the following vendors: Altom Consulting & Marketing Inc, Safeguard Business Systems, Tharp's Printing and Walker County Press. All responding vendors are recommended to be awarded to ensure that the District receives the best pricing possible.
