## Respect Retreat

On Dec 9th our Freshmen were able to experience the Youth Frontiers Respect retreat. Youth Frontiers brings adult leaders who worked with about 35 of our Junior and Senior leaders to bring the respect retreat. It deals with respecting others, respecting ourselves and being respectful as a whole. It is a very energetic day. According to our teaching staff this was one of the best retreats we have had as far as leader and student buy-in and engagement. This is made possible by funding from the Tom Keating Foundation.
