B. Bearcat Nation 101 Report

The first annual Bearcat Nation 101 was held on Saturday, August 8th from 9 AM till Noon. The purpose was to provide a service to new and newer residents of our community. Booth invitees included school organizations, area municipalities, daycare and preschool programs, voter registration, youth sports league and various organizations that serve children.

The Teacher Leader Academy team was hopeful for a 150-200 individual turnout. However, the turnout was much higher than anticipated. All were pleased to have approximately 500 in attendance with 160 families represented.

It was a fine beginning to this annual event. The Teacher Leader Academy class and Executive Director Denise Dugger did a fine job with this new program.
