Assessment of Current Situation

Comprehensive Needs Assessment

To assess where our students are in relation to our Vision, Mission, and our board-approved goals, the SBDM team reviewed all available data to identify our strengths and to prioritize our areas of concerns.

Formal review includes data from the following:

- Results of most recent community and parent surveys; Accountability and AYP ratings
- Disaggregation of current-year AEIS data
- Multi-year trends from DMAC reports
- Professional development needs surveys
- Student retention rates
- Discipline data from PEIMS
- Results of staff and student performance on most recent technology assessment

Informal measures include the following:

- Needs identified through campus SBDM teams
- Review of previous year initiatives
 - o to determine over-all effectiveness and implementation level , and
 - o to consider continued development/modifications and necessary continued funding
- Staff emails to district-level personnel
- Review of the district's vision and discussion regarding current information/research-based strategies that will move the district closer to attainment of the vision
