Credits:

6 ½ credits have been earned as of October 3, 2005. I anticipate at least 4 more credits to be earned by the end of this week.

Project Outdoor Gathering

This is a project undertaken with the help of Ms. Renken. The students designed three plans for an outdoor break/gathering area. Cynthia Jaso's plan was chosen, and currently wood has been ordered for picnic tables. A parent volunteer, Bernie Cervantes, has agreed to help the students assemble the tables. A great hands-on experience. We will continue to work on landscaping, walks, and repair of the basketball goal.

Arts at the Academy

The students have:

Created name quilts
Styrofoam sculptures
Collages
Negative space drawings

Liberal Arts:

Guided Reading of the Novel, "1984."
"Spiral RAP" - From everyday musings to vocabulary. They write everyday.

Respectfully submitted,

Elizabeth Hodges, Director, Brackett Educational Academy
