7:45-10:45	Security Training: Small groups break out: ***On-line training and*** ***complete online test***
11:00-11:15	Debrief: DHS meets in Library/Media Center
11:15-11:45	Lunch on your own
11:45-2:15	Edgenuity Training :NWEA data, ILP's and Action Plans for DHS
2:15-2:25	Debrief and Sharing of Edgenuity Action Plans

Security Training: Martin Pascale/Shelley Sheridan/Stacy Chambers

Purpose:

Derby Public School, and the CT SDE, recognizes that staff are often the first responders during an emergency. As part of the new All Hazards Security and Safety Plan for Districts, all staff need to complete a 3 hours course offered by FEMA in NIMS, ICS (Incident Command Center) **Introduction to the Incident Command System for Schools**. This training will enable staff to respond more effectively to an emergency and enhance communication between staff and emergency responders.

****Small groups break out to do ***on-line training and*** ***complete online test*****

Edgenuity Training: In-depth work on ILPs

Agenda:

1. Student Experience in Edgenuity (Point of View through the eyes of a DHS student)
2. NWEA Background: Our data plan
3. Monitoring Student Progress
4. Monitoring Student Data
5. Support features
6. Review of plan after December NWEA administration
7. Action Plan: Team work and Collaboration
