CHS Events and Activities

CHS Graduation

The CHS graduation ceremony is scheduled for May 21st at 7 p.m. The ceremony will be streamed on the Craig Panther NFHS channel. Nineteen seniors will graduate, three from the PACE correspondence school and sixteen from CHS. Congratulations to our valedictorian Nathan Brookshire, to our salutatorian Kathleen Dahlstrom, and to our most representative of the class, Julius Mackie. This year our guest speaker was our former science teacher, Ashley Hutton. The ceremony was followed by a parade and it was nice to see all of the community come out in support of our seniors. Congratulations to all of the seniors and their families!

Staff Appreciation Week

During the second week of May, we honored all of the dedicated staff and teachers at CHS. Craig PTSA purchased soup and sandwiches for the staff, the Booster Club bought them Amazon gift cards, Naani's treated them to sushi, CHS stocked the refrigerator with goodies, the Taylor's made an egg casserole, and Annie Betty's and the Brookshires donated coffee. The staff definitely felt the appreciation. We are so thankful for all of our hardworking staff and appreciate their efforts during this challenging year.

Awards Banquet

We held the Activities Awards Banquet during the school day this year. We were able to celebrate some amazing accomplishments and managed to get through almost all of our sports seasons this year. I would like to thank all of the coaches, Tina Steffen, Jen Creighton, Tina Nelson, Shannon Yates, Tristan Douville, Jessica Hughes, Troy Thain, Chuck Hanson, Rachael Balcom, Brian Grosenbaugh, and Vanessa James, for their time and dedication to our students.

We are very fortunate to have such dedicated coaches. I would also like to thank Mr. Thain, our Athletic Director, who faced so many challenges this year. I also need to thank Barb Schneider for all of the work she does behind the scenes to support our activities. We appreciate all of the staff, parents, and community members who support CHS activities and couldn't do it without all of you.

Testing

Students completed their AP tests this month. We had two students take the AP Calculus exam, 6 students took the AP Literature exam and one student completed the AP Computer Science exam. We also completed our last round of MAP testing this month.

Freshman Orientation

Our rising freshman orientation took place on May 25th. Students were introduced to high school courses and requirements, as well as the activities that are offered at CHS. We are excited to welcome a new batch of freshman to CHS next year.
