

## **KAUFMAN ISD – TRANSPORTATION REPORT**

February 2025

**All of our buses had new camera systems installed that will help us to make sure that we maintain a safe space on all of our buses and will help us to speed up the process of looking at footage. We are grateful!**

**The Transportation team was able to attend the NTAPT Winter Conference where we received information regarding leadership, creating culture, behavior management and communication.**

**Welcome our new staff! Driver's Michael & Christee and Monitor Ivan!**

**Transportation & Maintenance came together to feed the Service Center and Administration staff a pancake breakfast!**
