Background Information

Teaching and Learning for Grades 7-12

The high school administrative team will present information about changing the Online-Only Option for RWHS students. The plan would move Online-Only Option students to Edgenuity taught by district teachers.

The plan resulted from concerns expressed by teachers and others. George Nemanich will share plans with Education Minnesota and teachers, and he will work with the Minnesota Department of Education to ensure compliance with state regulations.

Teaching and Learning for Grades 5-6

Jess Whitcomb and Chris Palmatier will provide an update about our work with teachers on enhancing Hybrid Learning. Additional possibilities will be shared with 5th and 6th grade teachers before a proposal is given to the board.
