Re: Approve Employment of Instructional Coordinator

Recommendation:

It is the recommendation of the Superintendent to approve the employment of Deborah Krygowski as 1.0 FTE Instructional Coordinator at an annual salary of \$62,093.

Background Information:

Mrs. Krygowski has bachelor's degree in German and Spanish with a teaching certification from Elmhurst College and a master's degree in Administration and Supervision from National Louis University. She is a multilingual teacher, fluent in German and Spanish, having taught both languages. Debbie has taught at New Trier High School, Willowbrook High School, and Plainfield North High School. During this time she also served as a swim coach. Most recently Debbie has served as a long term substitute Spanish teacher for 6th and 7th grade at Winfield Central. Additionally she has worked with Mrs. Gaeta as a mentor, helping her refine our Spanish learning experiences. Outside of the classroom, Mrs. Krygowski has supported the Winfield community for several years, serving as the Winfield PTO president for multiple years. We are excited to have Debbie join us as our instructional coordinator.
