FT VANNOY GETS A NEW PARKING LOT!

We are happy to have our new parking lot finished and running smoothly. The design makes parent pickup and bussing run so much smoother. Not only is there a better flow but it is much safer for the kids. Thank you to all the pickup parents and Ft Vannoy staff for making our new parking lot a success!

MEDICATION REMINDER

A reminder to parents about medicines, ointments, cough drops and other medicating items for their child... Please do not send the medications with your child to school. Parents are to bring the items to the office and fill out a "permission to dispense" form and a dispensing instruction form which we will keep on file and dispense the medication as required. Thank you for your cooperation.

SICK KIDS

Parents please keep your kids home if they have flu symptoms such as a sore throat, headache, coughing, chills or fever. If we call and have you pick up your sick child from school, please do not send them back to school if they have a fever. Please keep them home until they have been fever-free for 24 hrs.
