RE: E-Rate 28 (FY 2025) Request to approve RFP # 250001245

I have submitted a 470 to request bids for Internet service through the E-Rate program.

Bids were opened and tabulated on January 27, 2025, and results and contracts will be presented during the Board meeting on February 11, 2025.

The E-Rate Year 28 Application funds network switches and internet service at a discount of 80%.

E-Rate requires the Board's approval and confirmation that 20% (network switches and internet service) matching funds will be available for the requests.

Contracts are subject to Board approval and will be null and void in the event that Eagle Pass ISD is not funded and/or is not Board approved.

Board recommendation evaluation criteria are attached for your review.

If you have any questions feel free to contact me.
